

What to Expect When You're Expecting... A Preschooler

We are excited to be offering this 6-week group for kids 2-3 years old. Group will be led by both an Occupational Therapist and Speech Therapist. Sessions will focus on early language development and sensory integration. We will concentrate on introducing young children to the foundational skills necessary for successful transition to preschool and supporting families as they begin the educational journey. This group will include parent participation & education each week.

When: Wednesdays from 9:30-10:30am

Dates: 2/7, 2/14, *skip*, 2/28, 3/7, 3/14, 3/21

Cost: \$300 for the 6-week group

We can accept DCBDD funding or private pay.

(If minimum registration is not met the group will be cancelled.)
